

Entrepreneurship

Do you dream of starting your own small business? Do you want to be your own boss? Are you ready to quit your job to do your own thing, but aren't sure it's the right decision? Are you afraid of failing? Of going broke? Of living uncomfortably?

Not everyone is cut out to be an entrepreneur, but if you feel the desire, there's no need to wait any longer. Our Entrepreneur Career Path covers everything you need to know to successfully start your own small business.

Learn to define your business, find your target audience, market your product, and write a business plan. Contact us to learn more. The next set of classes starts soon!

Coming Soon!

Watch for updates on the Career Campus website, gwcareercampus.com. Courses currently under development include Microsoft Office 2016 courses.

Additional online courses will be uploaded throughout the year in a number of career fields, so stay tuned!
