Virtual Class :
Certification :
Virtual Lab :

A photograph of two men in green t-shirts with technical diagrams, looking at a small device. They are at a trade show booth with other people and equipment in the background. The man on the left is pointing at the device. The man on the right is looking at it. The t-shirts have text like '4-1-1' and 'ICS & CHAIN 4.0'.

COURSE DESCRIPTION:

The Cloud Credential Council (CCC) Internet of Things Foundation™ certification is a business-oriented, non-technical certification designed to develop a base-level understanding of IoT concepts, terminology, and associated business perspectives.
